Upcoming Events

Yuma Hamfest Returns

San Diego Ham Radio Community,

Great news! After a two-year break, the Yuma Hamfest is set to return on February 21 & 22, 2025.

The location and general plan for the 2025 Yuma Hamfest will be as it was in previous years. The venue will be the Yuma County Fairgrounds, on-site camping will be allowed with Thursday afternoon check-in, and the vendor hall will open on Friday at noon.

In past years, some San Diego-area hams carpooled to the Yuma Hamfest as a day trip, some overnighted one or two nights in a hotel, and others camped at the Fairgrounds for up to three nights.

The organizers are working hard to make this happen. Please be patient as they work to update the event website, line up speakers, and engage vendors.

If your San Diego-area club might be interested in volunteering as a group to help with some aspect of the event, please let me know. I will funnel your contact info to the event organizers. Many volunteers will be needed to make this happen. Please spread the word!

Volunteers Needed

If anyone would like to volunteer, please let Joe know and he will forward you name to Rob.

At this time they do not have details on the chores. In the weeks and months ahead, the Arizona SM intends to conduct Zoom meetings to get organized. If you would like to listen to the Zoom meetings before making a commitment, Rob will ask him to include you on the Zoom call invitations.
